TCA STREET ART TRAIL

Community Art Project – Plywood Panel Reservation Form

Tecumseh Center for the Arts strives to be a vital part of the artistic culture of Tecumseh and enrich people’s lives – even if it is from a distance. The theater is moving forward with plans for an Art | Music | Sculpture Park the summer of 2020. The first step is to create panels for members of our community to paint, before installing them on the sides of the TCA Costume Shed (Pole Barn located by the North Parking Lot).

In addition, Tecumseh Center for the Arts will provide a supply of paper plates and disposable cups for mixing colors, a limited number of basic paint brushes, sponge brushes and rollers. If this is not enough, you will need to purchase your specific painting supplies. Tecumseh Center for the Arts will also provide water buckets to rinse off brushes and paint supplies after use. By completing this form, you agree to help oversee and maintain your designated art panel for one calendar year.
